

Children's Services Advert – to appear in local and national press on the 12th November 2009

Norfolk Children's Trust is looking for organisations to deliver services to children, young people and families in Norfolk to help meet the priorities of the Children & Young People's Plan.

The focus of the work will be

- Parenting
- Positive Activities for targeted groups of young people

Organisations will be expected to provide evidenced based services that will improve outcomes for children and young people, children young people and families must be involved in the development and evaluation of services.

Norfolk Children's Trust is also looking for an organisation to provide support to the voluntary sector network that supports the partnership working of the Children's Trust.

Organisations will be expected to evidence their ability to;

- work within a sound financial framework
- meet the requirements of safeguarding legislation
- deliver services that improve outcomes for children and young people
